April 3-7th*

Join us on February 29th for our annual Period Packing Party! We need many products including: pads, panty liners, and tampons of all sizes! We will also be collecting baby wipes as well. These products will be collected to help end period poverty and provide products to women in need. Period poverty can be defined as the lack of access to safe and hygienic menstrual products during monthly periods and inaccessibility to basic sanitation services or facilities as well as menstrual hygiene education. In Arkansas, the average lifetime cost for period products is \$11,000, and 1 in 4 women who need the products struggle to afford them. We would love for you all to join us, and help provide products for those in need!
