Dear Nursing Students,

As the semester begins, I want to say a warm, welcoming hello from the ASTATE SNA Board of Directors. We are excited to start this semester and year with you. We are already off to a busy start, and have big plans for the semester. Our board is composed of all levels of nursing students, and is one of the strongest ever.

Thus far, our board has made great headway. We have successfully introduced ourselves to the new sophomore class, provided several CPR courses, planned our budget and fundraisers for the year, and are in the process of filling out our award applications for state convention. This is just the tip of the iceberg for what we have left for this semester. Our Pork Tenderloin sales are coming up, and we are asking everyone to participate. There will be gift card prizes for the highest seller from each class and overall highest seller. Our Trots 4 Tots 5k, which will be benefiting Le Bonheur Hospital in Memphis, will also be in the planning stages this semester. All students are encouraged to help.

As we start this semester, I want to thank every one of you for your participation in the upcoming year. This year will hopefully, be our best year yet. I am excited to work with our board and all of you to accomplish excellence!

Sincerely,
Justin Alexander, SNA President

Save the Date!

ASTATE – SNA

September 19

SNA Open
meeting: 12 pm

ASTATE – SNA

October 6-7

SNA Convention:
required only on
the 6th!

ASTATE – SNA

October 21
